

Ghostly Legends

ON

SOCIETY HILL

The Portage Area Chamber of Commerce is looking for sponsors and volunteers for the Ghostly Legends on Society Hill on Saturday, October 24. You may donate toward a specific event or make a general donation. We need the help of the community to make this event a success.

The day begins with downtown trick-or-treating before noon. Later on, as the sun sets and the bewitching hour rises, the Rusch Elementary Gymnasium will hold a costume party dance complete with a DJ from 4pm-7pm. A narrator will dare to speak of tales of Portage's ghostly legends and residences during wagon rides through Portage's historic Society Hill from 5pm-8pm. In fact, you will see a few of the infamous ghosts lurking (actors, dressed as characters from the tales, wondering around the route). Enjoy hot chocolate and make S'mores by the campfire upon your return from the wagon ride or before your departure.

Please complete and return this form to the Chamber office as soon as possible.
