

PORTAGE CANOES on PARADE

The City of Portage Tourism Commission is bringing you Portage Canoes on Parade coordinated by the Portage Area Chamber of Commerce. This is a free public art event featuring 13 (large scale 9-foot-tall) canoes around the Portage area. These canoes have been transformed into works of art by local artists and placed on display at various locations for the public to view from mid-May to mid-Oct in 2023.
